Tasting Notes

Baudron Chardonnay's light yellow-green color and aroma of pear and green apple is very inviting. The palate is buttery with good mineral and citrus flavors. This well balanced Chardonnay is complex and pleasing. Enjoy it with fish, rice, and avocado dishes.

CHARDONNAY 2006

Baudron Chardonnay is the perfect example of the Chardonnay's reputation for being a balanced, refined and highly aromatic wine. Wine drinkers will be attracted by its straw color as well as its aromas of pear, green apple, banana and pineapple. This Chardonnay has a sweet start that blossoms into a buttery taste with extraordinarily full volume. This wine is best enjoyed with avocado dishes, fish, rice and paella. Serving temperatures: 45° – 50°
